## DESCRIPTION

## BENEFITS

### Position/Program Information

#### DEPARTMENT OF MENTAL HEALTH TRANSFER OPPORTUNITY ANNOUNCEMENT FILING START DATE: NOVEMBER 5, 2015

The Department of Mental Health's (DMH) Chief Information Office Bureau (CIOB) is seeking a qualified individual to fill the position of Information Systems Analyst II. The successful candidate will perform technical duties for DMH CIOB's Web Development Unit. DMH CIOB is responsible for delivering information technology services and solutions to the Department, clinics and service providers.

### Essential Job Functions

- Works directly with team members to design and build DMH website based on functional and technical requirements.
- Responsible for analyzing, designing, evaluating, developing, coding, testing, and maintaining application systems for the Los Angeles County Department of Mental Health.
- Codes, tests and debugs application programs to create new business applications and interfaces or maintains/modifies existing business applications according to program specifications.

- Provides technical expertise to project managers, technical staff, department management, and/or user management regarding one or more major website system development or maintenance efforts.
- Performs unit or modular testing and integration testing for new or modified applications.
- Writes and executes programs to extract, transform, and load data for system conversions.
- Prepares technical documents, user manuals, and help files.
- Identifies, analyzes, records, tracks, and resolves application problems.
- Develops functional requirements as needed.
- Installs application software as needed.
- Researches application development tools and methodologies and makes recommendations to management as needed.
- May assist in the creation of Statements of Work (SOW's) in support of website development efforts.

#### Requirements

Must be a permanent County of Los Angeles employee who has passed their initial probationary period and currently holding the payroll title of Information Systems Analyst II.

#### Desirable Qualifications:

- Experience in website development.
- Experience using the following development technologies: Active Server Pages.NET (ASP.NET) 2.0 or greater, Visual Studio 2005 or greater, Transact-SQL (T-SQL) for SQL 2005 or greater, VB.NET 8.0 or greater, Java, AJAX, JavaScript, Extensible Markup Language (XML), Cascading Style Sheets (CSS), HTML 4 or greater.
- Proficient in SharePoint Portal including but not limited to custom Web Parts development, workflow, SharePoint Designer, and SharePoint administration.
- Good working knowledge of IBM WebSphere 6.1 or greater, Enterprise JAVA Framework, J2EE application development skills, specifically Servlet and JSP development experience.
- Experience working with web content management systems.
- Experience in application development using Microsoft C-Sharp (C#) 2.0 or greater.
- Experience performing systems analysis and design tasks.
- Experience in Object Oriented Programming (OOP) design and development.

- Experience integrating web technologies with Relational Database Management Systems
- (RDBMS) such as Oracle and/or SQL Server 2005 or greater.
- Good problem solving and analytical skills, using them to resolve technical problems.
- Strong knowledge of system development life cycle methodologies.
- Positive attitude and the ability to work in a demanding environment.
- Ability to work on multiple projects and assignments at the same time, meet critical deadlines, and ensure quality work products that are thorough and complete.
- Strong written and oral communication skills.
- Ability to work independently and as a team player
- Strong interpersonal skills with the ability to work effectively with management, technical staff, County departments, government and community agencies.

#### Additional Information

Interested individuals should submit a cover letter and resume detailing relevant experience and education, attendance records from the last two years and copies of the last two performance evaluations no later than December 31, 2015. All materials submitted will be evaluated. Only the most qualified employees will be contacted for an interview. Submit documents via email to:
